

Photon Lines and Visitron Systems

Photon Lines Ltd to offer microscopy imaging solutions from Visitron Sytems GmbH including realtime confocal microscopy, TIRF microscopy, GFP imaging

Visitron Systems GmbH high performance microscopy Imaging solutions are now available through Photon Lines Ltd in the UK and Ireland

We are able to offer systems for the following applications:

- Live Cell Imaging
- TIRF Microscopy
- Confocal Microscopy
- Calcium Ratio Imaging
- FRET/FRAP Microscopy
- GFP Imaging
